

Scialog 2010 Advancing Solar Energy Research

Scialog (science + dialog) funds early career scientists in pursuit of transformative research

Dr. Eric Mazur
Harvard University

The Nature of Science

Thursday, October 14, 5:30 p.m.

Dr. Arun Majumdar,
Director, ARPA-E

U.S. Department of Energy Advanced Renewable Energy Research

Energy Innovation in the 21st Century

Friday, October 15, 7:00 p.m.
Introduced by Honorable Gabrielle
Free to the Public

University of Arizona Campus

An initiative of Research Corporation for Science Advancement, Scialog® seeks to accelerate the work of 21st-century transformational science through funding research, intensive dialog and community building. Scialog has been conceived as a research grant program emphasizing annual meetings and the opportunity, encouragement and expectation to form cross-disciplinary teams.
